What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- Investments & Pensions, for example an ISA or Personal Pension Plan;
- Personal & Family Protection, for example a Life Assurance or Critical Illness Plan;
- Mortgages, including Buy-to Let;

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives to determine if these services are suitable for you. We will then undertake research in order to provide a personal recommendation(s) and related information relevant to your individual circumstances. If after due consideration you would like to accept any or all of our recommendation(s), we will then implement them and arrange any products and/or related services on your behalf.

Once your financial plans are in place it is important to keep them under review. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and when you need them. Ultimately, whichever type or level of service you require from us we will act in your best interests at all times.

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost and how you can pay us for them.

IMPORTANT INFORMATION

Before you consider our services in more detail we would like to draw your attention to the following important information:

When we have discussed and agreed with you the services that we are to provide we will confirm this to you in a Client Agreement. It will also confirm how we use and store personal information that we collect from you in the course of providing our services. A copy of our standard Client Agreement is available on request.

From time to time it may be necessary for us to collect personal information from you, prior to concluding a written Client Agreement, to assess whether we are able to meet your needs. In this event we will clearly identify the data to be collected and will use it only for the purpose of assessing our ability to provide services to you.

Under the terms of Financial Conduct Authority (FCA) regulations we will classify you as a retail client for investment and pensions business. INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and/or retirement objectives. We provide independent advice which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
 - Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
 - Insurance Based Investments, including Capital Investment Bonds and Endowments;
 - Structured Capital at Risk Products (SCARPS) and Structured Deposits;
 - Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes.
2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend investments in the IFSL Sinfonia Open Ended Investment Company (OEIC). This investment company has been jointly developed between BNP Paribas and Sinfonia Asset Management Limited, a subsidiary of Tenet Group Limited. We may also recommend that you hold and trade your investments via Tenet Platform Solutions Limited, a subsidiary of Tenet Group Limited

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS & I), or Inheritance Tax Planning (IHT).
